ABOUT US – CONTAINER FREIGHT STATION CESKA TREBOVA

WHO WE ARE

Company engaged in containers loading and unloading, warehousing, supply chain management, customs brokerage, distribution and China-Europe railway transport (BELT & ROAD), operating next to the largest freight railway terminal in Central Europe.

WHAT WE BELIEVE

The future of supply chain solutions requires broad collaboration of individual providers, sharing the logistics infrastructure, networks, processes and other resources.

OUR TEAM

Experiences from various logistics areas (as freight forwarding, custom brokerage, warehouse provider, project cargo, international railway transportation). We share this knowledge to build unique independent **public logistics center**.

WHAT IS OUR PHILOSOPHY

The logistics center is true logistics hypermarket, where customers select and pay only the services they want to outsource from any reason.
